President's Message

Dear Members,

My name is George W. Davis III. As many of you have noticed already, I am the new President of our Danville Golf Club. I am following in the footsteps of the now past President, Conrad Smith, who has done a wonderful job for several years and navigated us through the pandemic era. I am not sure I can do as good a job as he, but I will certainly give it my best. With the help of Andrew, Kathy, Craig, Quinn, and all of our wonderful staff, my job will be so much easier.

For those of you who do not know me, I am the third generation President of Davis Storage & Warehouse. I have been married to my beautiful wife Kathryn for 50 years and we have 2 wonderful children, Timothy, and Brittany, and 4 terrific grandchildren. Danville has been my home for my entire life, and I am excited about all the things happening all around us. I love playing golf and I am known as \$5 George in our Saturday morning Dew Sweepers group. (Don't even think about bringing a \$20 bill to play with us!)

It's now March 1st. Hard to believe isn't it? We older folks realize how much faster time seems to go flying by, and how precious life truly is. Resolutions from Jan. 1st have come and gone, and now we begin to settle into what might have been, versus what is and will be. My hope for each of you and your families is that God will Bless you in more ways than you can even imagine.

I also hope that you will take advantage of our wonderful club. We have an outstanding staff, great food, a beautiful clubhouse, a pool, and court facility like no other, and, of course, a terrific golf course. Flowers and trees are beginning to bud, mainly because they haven't got a clue that it's not Spring yet, and the weather is really cooperating. Come out and enjoy your Club.

And lastly, please know that we are available, and by we, I mean your entire Board of Director's. We are working tirelessly to find ways to make our Club the best around, to increase revenue, and to control costs. We want to know your concerns and especially hear your praise for all that's been done at DGC as we continue to improve our facility. However, we do have one stipulation. Please do not come to any of us and say what you don't like at the Club. Instead, come to us and say "I have a suggestion as to how we might be able to improve something"! We will listen and that approach will get a much better response, believe me.

So that's it for now. I look forward to our time together at the Club, to seeing my good friends and meeting the ones I do not yet know. Please introduce yourselves if I don't do so first.

Thanks, and have a great March!

George III

Manager's Corner

Dear Membership,

I hope everyone enjoyed their Valentine's Day and made unforgettable memories. Thank you to the couples that were able to attend the six-course Valentine's Dinner. We felt as if the event went seamlessly, and the singer, John Wilt, did a great job setting the mood and love was definitely in the air.

The Oyster Night was a tremendous hit and both it and the Butcher's Block Dinner sold out with over 98 people at each event. I smile ear to ear just thinking about it. We are honored to have the opportunity to serve that many members and their guests in a single evening.

The February weather has blessed our golf course with warm days and cool nights which is what the grass needs to turn green. I hope most of you have been able to enjoy this whimsical winter. Remember "drive for show, putt for dough." The putting green and chipping area should become your best friend over these next few months. Don't forget we have a swing doctor on site, Craig Gunn. If he can't fix it, stop by the 19th hole for some refreshing beer.

The chefs and I are working on the new menu for the spring release. We will be bringing Corvina back as requested. Hopefully the membership is pleased with the variety of quality options available each day. We will continue to push ourselves to be innovative and study the local market for new mouthwatering dishes.

Please see the calendar for upcoming events and don't forget to make your reservations. Our last Oysters Night and Butcher's Block were completely booked by 1pm. We don't want you to miss out.

Kindest Regards,
Andrew Walker

After careful consideration the Danville Golf Club dinner service on Tuesday evenings will no longer be available. Originally, we reopened on Tuesday evenings to increase revenue and give staff the opportunities to have more hours. Unfortunately, in analyzing the labor and foot traffic over the five months of Tuesday dinner service, we lost money in all months except December. As your club manager I will continue to try and give our membership the best experience possible while keeping our financial goals as a priority. I apologize for any inconvenience this may cause you or your guests and we encourage you to join us for Tuesday lunch and Wednesday through Saturday for your dinner menu favorites.

Kindest Regards,
Andrew Walker

House/Entertainment Chair

PRO'S CORNER

All we can say is, "How about this Spring like weather!" We have been blessed with some great golfing days with unseasonably warm temperatures and we hope it will continue as we begin the month of March.

We have had some outstanding shots made on the course during our winter months! Recently, Judge Reynolds, Dr. Chris Belk, Jimmy Newcomb and Christian Blankenship have recorded eagles during their rounds at DGC while, Vince Kania had his 5th Hole-In-One this past weekend on #16! Another notable, was Buddy Rawley scoring a two over par 74! Hopefully, I haven't left anyone out but let us know of any outstanding shots or scores.

Our new cart fleet has arrived, and we think it will provide a much better cart experience for the members. This fleet has better suspension, luxury seats, new lithium high performance batteries and working USB chargers.

Our tournament schedule will begin on Thursday, April 6th as we welcome the Laidback Golfers Tour. We will also be hosting the Hargrave Military Academy tournament on Friday, April 21st. Our club events will start on Saturday, **April 29th with the Kickoff Classic**, and we encourage all members to come out and enjoy the fun. We will have a sign-up sheet in the golf shop for those who are interested in participating!

Our DGC Pro Shop is bringing in Callaway Golf products for '23. We are excited to have the new Paradyme Driver and irons to compliment our Titleist equipment as well. We would like you to consider supporting the golf shop when meeting your playing needs. Our golf balls, shoes, golf bags, golf equipment, head wear, range finders and training aids are all MAP pricing as you would find at all discount golf shops.

Also, get a jump start on the Spring season with a focus on fundamentals. We still have a 3 lesson series starting at \$150. Would you like to gain some distance off the tee? Ask about our Speed Training Program. Speed comes from getting the body and club head to move faster during the swing. The proper training will increase club head speed and ball speed.

Have fun with your game and remember its still winter golf. We still experience some very tight and soft lies with all the rain we've had. S be kind to yourself and play the highest percentage shot available.

See you on the Links,

Craig & Jason

WGA MARCH NEWS

The Women's Golf Association held their winter coffee February 21. A large group came together to enjoy muffins and fruit and talk about the upcoming golf season. Those members who have not paid their dues and anyone else wishing to join should send their dues (\$30) to Pam Pulley by March 5 so the yearbook will have a complete listing of WGA members.

Our season begins officially with a luncheon on March 28. Please call to make reservations.

Our kickoff Captain's Choice on April 4 is always a fun event so everyone should plan to be there. Who doesn't love Captain's Choice!!

Hope to see everyone on March 28 and April 4.

Looking forward to a great season of golf, fun, and fellowship!

Becky

RESERVATIONS

To help provide you all with the best service and dining experience we are strongly encouraging reservations in the 19th hole. Reservations help us control staffing for a shift and even more they help us gauge how much food to prepare so we ensure your food is fresh and items were made to order. We will never turn you away for not making a reservation, but we ask that you help us control the outcome of your Club's bottom line when you can. Thank you so much for taking the time to read this and we wish you all an excellent February.

We want everybody to be in the know!

If your spouse or if you know of Club members that have not been receiving emails from the Club, tell them to call the Club 434.792.7225 ext. 2 or email Shirley @ shirleywade@danvillegolfclub.com
