President's Message

Good afternoon members

Well Summer is here and the heat is....HOT, Isn't it? We all rush to water somewhere, most of us to the DGC pool. I haven't been there yet but I'm sure from past experiences that the water is pretty warm. But wet is wet and it does cool you off.

Swimming has always been a big part of my life. But golf is my game now. I started later than most, in my thirties, but love how each round is a learning experience. I have played for 40 years, and it still excites me each and every time I am able to go to the course. I wish that I could say that about everything I try to accomplish on a daily basis. Wouldn't that be great if all of us could feel that way about all of our experiences.

"Life is special when people care". That's from a Travelers commercial that I just saw on TV as I was writing this. People should care, people should also be courteous. No matter where you are, especially at the DGC, you should show common courtesy to those around you.

We have rules at the Club. Whether it's rules for the pool, dress codes for the clubhouse and 19th hole, or By-Laws made for the running of our great facility, we need these rules in order to prevent chaos from happening. Enforcing them, however, can be a challenge to say the least.

Members have been overheard daring someone to say something about the way they act, the way they dress, or how loud they want to be. Your Board hears about it all and we try to handle it within the guidelines set before us.

We want everyone to have fun but do it with a modicum of decorum please. This is not the Green Street Recreation center. This is the Danville Golf Club. Enjoy it yes, but keep in mind how special it is. Treat people with kindness and courtesy and be cognizant of their feelings as well. Lots of people know what a great facility we have. We hope that you are one of them.

Sincerely,
George III
Club President

THE MANAGER'S CORNER

Dear Membership,

The summer is going well, and the pool participation is way up thus far. We greatly appreciate you all and hope to iron out a few kinks to improve your experience while at the pool. Please remember to sign in, to sign your guests in, and to hydrate while spending time in the sun on these warm days.

We have decided to open the 19th hole for dinner service on Sunday evenings. The kitchen will now close at 7pm and the 19th hole service will stop at 8pm. I hope this allows you to enjoy your Club a little more and helps those evening golfers and diners have a great meal. We plan to continue this until the weather changes in late fall. Chef Ron and Chef Jon have been working together on a new menu that will be released in late July.

Don't forget to sign up for special events in advance so you don't miss out. It's never too early to sign up for golf tournaments as well. Please enjoy your summer. Stay safe on your travels if your able to leave town to vacation and God Bless.

Kindest Regards,
Andrew Walker, Club Manager

Michelle and Staff have our pool in terrific shape, Adam has the course in great condition and the courts are busy with pickleball players.

Our Junior Golf Camp finished up this week and we survived the heat. Hope everyone enjoyed the camp and developing some new skills.

The DGC Member/Member will be played June 29-30 and we have our best participation in years. We will be posting results following the weekend. Also, our Match Play begins this month and the brackets will be posted on our website.

July 13th-14th, we will host our annual DGC Invitational. The golf course will be closed on Saturday July, 13th and will reopen for member play Sunday afternoon.

Our course will be closed July 15-16 for greens aerification. This is our annual aerification maintenance of our greens. This year we decided to go later in the summer to accelerate the healing process.

WGA July News

June was another good month for the WGA. Weather allowed play each Tuesday with the nine holers getting to play the back one week. The month concluded with the President's Handicap Tournament. We had 10 ladies participate with Nancy Oakes as our 18 hole winner and Becky Bolton as the winner for 9.

It's been a great season so far although we are missing a few regular players due to injuries and health issues. We look forward to welcoming them back as soon as possible. We tee off at 8:30 during July and August in order to beat the heat. So far, it's been working. Hope to see many of you there on Tuesdays.
