## *President's Message*

I hope that you are all doing well and enjoying a wonderful holiday season. As usual this time of year, things are busy all around Your Club with Christmas parties and other outings. I hope that you will take a night or two during the Christmas season to come out and have dinner and enjoy the excellent service and staff we are so lucky to have at the Danville Golf Club. As the year comes to an end, so will my term as your Club President. The past three years have been filled with successes and challenges alike, but I have truly enjoyed the opportunity to serve in this role. There will be several openings for the new Board of Directors, and I encourage all interested members to throw their hat in the ring for consideration. Having an involved and capable Board of Directors is critical to the future success of Your Club. Also, I hope all members will consider joining us at the end of January for our annual meeting for a full review and discussion about the past year and the future. In closing, I hope that each of you has a very happy holiday season and please let me know of any way the Board can better serve the membership.

Conrad Smith, DGC President

## MANAGER'S CORNER

Dear Membership,

This festive time of year is always a time for celebration and togetherness. Thanksgiving makes me stop and count my many blessings as I have so much to be thankful for. I'm so very grateful for all the love the membership has shown me over my short two years as Club Manager. I really feel as if I'm part of the family. I want to let the membership know I love hearing all your kind words on the job I'm doing; however, I could not achieve anything without my amazing staff. Our kitchen prepares food that looks and tastes amazing. The servers make your visit close to perfect so please take a second during your next visit to thank a staff member and watch their faces light up.

This Thanksgiving we served 239 people. One of our biggest turnouts in years. We were one table away from being full. It truly is an honor to help the membership create memories with their loved ones. Please consider the Club for your next family holiday. We do all the cooking and cleaning; you just sit back and enjoy the moment.

'Tis the season to be jolly. We have a lot of Christmas parties scheduled for December. We appreciate the members that have reached out to book their office parties. We hope to make your holiday cheerful once again. If not attending a party, stop by for your favorite martini or entrée during the holiday season but be aware that there are a few Fridays and Saturdays where the Club will be busy. Your food will be served as quickly as possible by a staff member with a smile. Thank you in advance for your patience. A special acknowledgement goes to Michelle Pruitt, who not only helps tremendously with overseeing the pool all summer but leads the team in decorating for Easter, Halloween, and Christmas. Your club is screaming Christmas Spirit because of her. Thank you, Michelle.

Kindest Regards,

Andrew Walker, Club Manager

## ENTERTAINMENT NEWS

Happy December!!!

Well, the seemingly busiest month of the year has finally arrived. Families, businesses, and friends getting together for parties and dinners to celebrate the holidays and Christmas!! What a month!

For those members (old and new) that failed to attend the Past President's Reception missed a great time and those not eating the dinner following really missed a great meal by the kitchen staff. Don't worry, there will be future opportunities.

In December, your Club will be hosting several parties so please make sure to call ahead for reservations prior to showing up for dinner. Remember, the Club is now open for dinner on Tuesday evenings.

On December 18<sup>th</sup>, the Club will be hosting a luncheon with an extremely popular fellow this time of year. Santa Claus has taken time away from the North Pole to have lunch with the children of DGC!! Please make reservations for your child or children so Andrew can have a good count for the luncheon.

Also, New Year's Eve would not be the same without a special presentation from the kitchen for the membership. Andrew and Staff have plans for a great dinner that evening so reserve your table of friends to celebrate 2023.

The Board wishes all a very Merry Christmas and looks forward to a great 2023 for all!!

John Mason, House/Entertainment Chair

## WGA December News

First of all, I want to thank Bunny Hayes for serving as President of the WGA for the last two years. We were very fortunate to have such an outstanding leader- she is a very hard act to follow. I do appreciate the nominating committee's confidence in me and will do my best to lead the WGA and keep everyone informed. I certainly welcome any suggestions or opinions on ways we can do things better.

We had a wonderful fall to finish our season. The trees were beautiful, and the weather was outstanding. Hopefully, there will be days that the weather will allow some winter play. Hope to see you on the course.

P.S. Don't forget about the Pro Shop when you are doing your Christmas shopping!

Merry Christmas and Happy New Year.

Becky

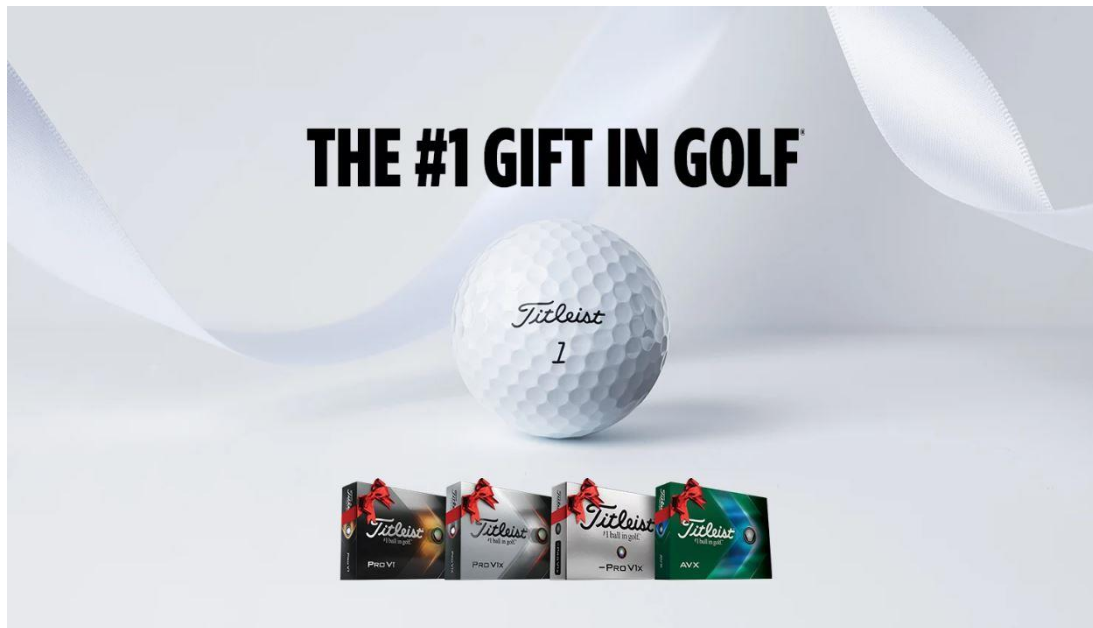

# GOLF

## PRO'S CORNER

We hope everyone enjoyed the time with their families over the Thanksgiving Holiday and we look forward to some good golfing weather throughout the month of December. If it's weather like December '21, we will be in short sleeves and shorts. We will hope for the best!

As we approach the holiday season, don't forget to check out our Pro Shop for new arrivals as well as golfing essentials. We have the new Precision Pro NX10 Range Finders that offer customization, men's & women's apparel, Vokey SM9 wedges of different lofts and bounce and Orange Whip training aids for \$99. We also have Titleist Pro V1, Pro V1 x and AVX golf balls for special members only prices of \$49.99 per dozen. Golf Lesson Series packages make a great gift for the avid golfer to the beginner or a gift certificate to our Pro Shop. If you are looking for an item that we would need to order please let us know as soon as possible.

As we get into our winter season, remember that this is the time to stay in golfing shape. There are many indoor exercises that are golf specific. We need to keep our bodies active and have a daily stretch routine. Practicing correct golf movements without a ball can accelerate our learning through repetition. Using different training aids such as the "Orange Whip" as well as "Super Speed Golf" can develop

speed and stability as well as a good stretch for increased power in your golf swing. It's about consistent, correct practice.

December will be the last month of the 2022 golf season to join Christian Blankenship and Dr. Steve Mahoney in the Hole In One Club. They are the only two participants to have made a hole in one for the '22 season up to this point. Good luck to the others who still have a chance!

**Merry Christmas & Happy Holidays!**

**Craig & Jason**

# RESERVATIONS

To help provide you all with the best service and dining experience we are strongly encouraging reservations in the 19<sup>th</sup> hole. Reservations help us control staffing for a shift and even more they help us gauge how much food to prepare so we ensure your food is fresh and items were made to order. We will never turn you away for not making a reservation, but we ask that you help us control the outcome of your Club's bottom line when you can. Thank you so much for taking the time to read this and I wish you all an excellent November.
