President's Message

Greetings Danville Golf Club Members!

I will dispense with the usual pleasantries, like how the pollen affects me and millions of others during this wonderful time of year and concentrate on items that are pertinent to each member of Our Club.

Many of you have heard that a MINIMAL dues increase has been voted on and approved by your Board. After much deliberation, and I do mean much, we decided to increase dues by 5% beginning May 1. This means that you will see that increase on your upcoming bill.

The cost of everything continues to climb. You know this already, because you see it every day no matter where you go or what you do. The cost for food, fuel, insurance, and many other expenditures continue to remind us of the high cost of day-to-day living.

Your Club is no different. We are affected by all of the above, as well as supplies and equipment for the pool and golf course. Regular maintenance by outside contractors is a "hold your breath" situation. Keeping the personnel we have is a challenge that we face every day, and we do not take it lightly.

Andrew, Craig, Adam, and Kathy continue to do a wonderful job to keep our costs to a minimum. The entire staff is doing their part in making our Club the best in the area. We in turn are doing our part in making sure they all stay with us for many years to come.

So that's it. Please know that your Board is doing everything it can to be good stewards of your money when making the decisions that we have to make. It is a job we take very seriously.

We do appreciate each and every one of you and thank you all for your continued support of Your Danville Golf Club.

George Davis III
DGC President

THE MANAGER'S CORNER

Dear Membership,

I hope you have been enjoying the spring weather. We had absolutely perfect weather for our Kickoff Classic Golf Tournament. It was a great sight to see the course full, everyone enjoying the delicious food and drinks and the great performance by Dalton Bagbey.

Golfers don't forget about the great practice area by the pro shop and the secluded driving range behind number two green. If looking to improve your swing or improve your overall game, our pro, Craig Gunn is available for lessons.

The new gym equipment is installed and sure to help build strength and to assist in getting that summer body for pool season. Ezell and I will be doing some rearranging and organizing this week to make best use of the space we have. Please remember to sanitize the equipment after each use. Weights should be placed back where they belong before leaving the gym area. We are also missing a 30 lb. dumbbell again this year. We purchased a new one but it does not match the existing set. If anyone sees the other one, please return to the gym area. It would be greatly appreciated.

Our Club has multiple events planned for May. The events include Butcher's Block, Mother's Day Luncheon, Dinner under the Stars and a Memorial Day Cookout on the patio. We are looking forward to making these events festive and delicious. Don't forget to sign up early as reservations are required for the special events and limited seating.

Sincerely,
Andrew Walker

ENTERTAINMENT/POOL/SPORT COURTS/FITNESS NEWS

May Days are here, and warmer days are on the way!!!

The DGC pool opens the end of the month and Michelle, and her crew will have everything ready for your swimming pleasure. The Guards will be ready, and the Snack Bar will be manned for your dining at the pool. Andrew has revamped the menu with some new items for us to enjoy. The official Opening Day will be Memorial Day weekend, Saturday, May 25th. Come by the pool for a drink and appetizer on the patio on the way to your dinner in the Club House. The pool rules will go out in a separate email. The Pool Opening Party will be in early June with The League of Ordinary Gentlemen playing on the patio. More about this in the June newsletter.

On May 18th, DGC will be having another **Dinner Under the Stars**. The "Real Jazz" band will be providing music for this event and from the response we had last Fall, this dining event will book up quickly!!! Invite your friends and bring a group to this "foodie" event.

The new exercise station equipment has arrived!! Take an opportunity to check out the "Work Out" room and utilize this great addition to DGC.

Lastly, the Pickleball group continues to grow!! If you are interested in joining us, please drop me or any pickler a note to be added to this lively group. Beginner paddles are fairly inexpensive and are available at Dunhams or on the many Pickleball equipment sites on the internet.

Invite your friends and neighbors for an afternoon of golf, tennis, pickleball or for lunch or dinner. We have a great Club, and we are always looking for good people that enjoy the "finer" things of Danville. Our membership continues to grow so don't get left behind!! Have a great May and hope to see you at the Club!!

GOLF

PRO'S CORNER

Dear Membership,

We are off to another great season of golf here at DGC. As the weather continues to warm up, the golf course is greening up and getting busier! It is a good idea to get in the habit of calling ahead to make tee times, as we have already seen multiple days where golf cart availability has been slim. It's a great problem to have.

We recently had our Kickoff Classic with a full field of players! We want to thank everyone for making this a successful event. We hope all the participants enjoyed the day and camaraderie. The winners are as follows:

Gross Winners were Scott Blankenship, Angela Blankenship, Christian Blankenship & Patrick Snow with a score of 59. Second place gross was Wade Collins, Andrew Collins, Neal Ragsdale & Andy Emerson with a score of 60.

Net Winners were Charlie Mattox, Bill Ivie, Martin Scott & Chris Williams with a score of 53.3. Second place net was Saunders Brooks, Mike Estes, Peyton Criswell & Will Lewis with a score of 57.1.

Closest to the Pin winners were Bill Ivie #10 & #16, Donald Murphy #4 & Jarrett Sanford #6 Harry Lea won the Putting Challenge on #18 green.

Gil Stovall carded a hole in one on hole #6 at DGC on 3/25. Buddy Rawley also had a hole in one at Stoney Creek in Whitsett, NC.

George Willoughby had an opening round of 73, tied for the lead at the PGA Golf Club in Port St Lucie, FL. Craig Gunn & Jimmy Flippen finished in a tie for first with a 67 in the Southern Chapter Pro -Pro MAPGA. Jimmy also was competing recently in the PGA Professional Championship in Frisco, TX. Congratulations to all for these accomplishments.

We have some exciting news about our Thursday Scramble. We will start our season off this Thursday, May 2th @ 5:30. We would like to invite all members who would like to participate. Please call the Golf Shop to sign up prior to 4pm if possible.

Dear Valued Members,

I hope everyone who participated in the Kick-Off Classic and cookout had an enjoyable experience. I truly enjoyed setting the pin placements and getting the opportunity to play! The cookout and live music were fantastic as well!

As the course continues to green up, we will be focusing on getting the course dialed in. Over this next month you should be able to see noticeable improvements that will last for years to come. We will continue to make incremental adjustments and improvements throughout the summer.

I would like to address the subject that I probably get the most questions about. GREEN SPEED. We have been conservative with the height-of-cut coming out of winter and throughout the early spring. Over the next couple of weeks, we will be lowering the height-of-cut each week until we get to a speed that we feel is fun and fair, but also challenging. By being conservative we have put little to no stress on the newly growing leaf blades and that will allow us to have strong and healthy turf through the summer and fall.

If you have any questions or suggestions feel free to reach out at any time. Thank you for your continued support and encouragement.
