

A decorative border surrounds the central text. The top and right sides feature a collage of autumn leaves in shades of red, orange, and yellow, some with small white star-like patterns. The bottom left corner contains a cartoon illustration of a boy with orange hair, wearing a blue shirt and green overalls, holding a bouquet of red and yellow flowers. Next to him is a small green chalkboard with numbers and a calendar showing the number '1'. The bottom right corner is filled with a bouquet of red and white tulips.

## RESERVATIONS

To help provide you all with the best service and dining experience we are strongly encouraging reservations in the 19<sup>th</sup> hole. Reservations help us control staffing for a shift and even more they help us gauge how much food to prepare so we ensure your food is fresh and items were made to order. We will never turn you away for not making a reservation, but we ask that you help us control the outcome of your Club's bottom line when you can. Thank you so much for taking the time to read this and we wish you all an excellent September.

# President's Message

Hello,  
September!

Hello Friends!

(A now famous Jim Nance opening line) Well, just like I said last month, Summer will soon be in our rear-view mirrors. Flying by fast, isn't it? I hope it has been a great one for you and your families.

I used to love the Staples commercials during August when Christmas music was playing "It's the most wonderful time of year" as parents with jubilation written all over their faces, were buying school supplies and preparing for their children to go back to school. Bittersweet for the youngsters dragging along behind them.

But with school comes the anticipation of Fall, which is a great time for everyone. Even though the pool will be closing Labor Day weekend, there are so many other things to do in the Fall. Cooling temperatures help us enjoy more outside activities like football games, golf and pickleball, and cookouts with family and friends.

Hopefully, Danville Golf Club can help you facilitate some of these get-togethers. Lunches and dinners will be much more enjoyable outside with the wonderful view of our beautiful golf course. Several tournaments have been held at DGC this Summer with accolades continuing to pour in.

We all should be very proud of our clubhouse, pool and court facilities, and our golf course. But as I mentioned last month, being a member of our Club carries many responsibilities as well. We need to be good stewards of these facilities and of our time spent there.

Conduct and respect continue to be hot topics at our monthly board meetings. Unruly conduct from parents and children, and lack of respect from "Pool Karen's", "Golf Course Gregg's", and offensively loud talkers in the 19<sup>th</sup> hole, all have a negative impact on members and guests who use our facility.

So please, PLEASE, be on your best behavior when enjoying our Club, which shows common courtesy to those around you who want to have a good time just like you!

Sincerely, George III

Dear Membership,

The biggest golf tournament of the year, the Member-Guest, is quickly approaching and almost full so if interested please call Craig immediately. It will certainly be a great weekend of golf and competition. I will strive each day to create a world class experience both on and off the course. Together our staff is excited to make you and your guests feel welcome with an abundance of hospitality. The Member Guest is truly a golfing event you don't want to miss out on.

Beginning September 10th, the 19th Hole will be extending its hours to 7:30 pm. We want to find ways to offer more dining options for the membership and it seems Sunday nights could be the perfect match. Now when you play golf in the afternoon you won't be forced to leave to find somewhere else to dine and relax. Please join us anytime on Sundays from 11 am to 7:30 pm and show your support. We are always thinking of ways to enhance your service and make use of all the amenities your Club has to offer. Reservations are strongly encouraged, especially at the beginning of this trial run as we will be observing and adjusting the staff levels to ensure supreme service.

A few dates that you will want to save in your calendar for future events:

Trunk or Treat: Sunday, October 29<sup>th</sup>

Thanksgiving Day Buffet: Thursday, November 23<sup>rd</sup>

Annual Christmas Luncheon with Santa: Sunday, December 17<sup>th</sup>

New Year's Eve Celebration: Sunday, December 31<sup>st</sup>

Be sure to call and make a reservation at your earliest convenience as we know the unfortunate reality is with more members the chance of a sold-out event is more and more likely as we move into the future. This is an exciting time for your Club, and we hope to push the envelope to provide our dinner crowd with more than just a meal but an outstanding experience.

A special thank you goes out to an anonymous member that received the email about the pool closing early a few weeks ago for an employee pool party and instead of being upset they would not be able to use their pool they decided to pay for the entire party. We really appreciate the donation and will all be carrying the feeling of gratefulness and love you have for your Clubs' employees. We would not be able to provide any service without them. Personally, I just wanted to say from the bottom of my heart, Thank You.

Sincerely,  
Andrew Walker  
Club Manager

Sharon Whitt & Angela Blankenship

August was a great month for our lady golfers. We had some nice weather and a good group of ladies all five Tuesdays. September should bring some cooler weather and 9:00 tee times. Thank you, Bunny Hayes and Kay Price, for being our hostesses. We will also have our Member/Guest Tournament on the 19th which I am sure will be wonderful - thank you Terri Hall and Jane Pratt for organizing this. We look forward to showing off our beautiful golf course to our guests (thank you Quinn)!

The WGA's season last until the end of October. We have fun games and tournaments planned for each Tuesday. It's a perfect time of year for golf - later tee times and cooler weather. It's never too late to join in on the fun. Just let Craig or a member know.

# Pool News

Another pool season has come to an end, and I know many of us are sad to see it go! Our pool will close on Labor Day, Monday, September 4<sup>th</sup>.

The good news is our Sport Courts are open year-round! Our pickleball group has enjoyed many Tuesday nights. Hopefully, September will bring some cooler temperatures!

See you next summer!

Sally
