## RESERVATIONS

To help provide you all with the best service and dining experience we are strongly encouraging reservations in the 19<sup>th</sup> hole. Reservations help us control staffing for a shift and even more they help us gauge how much food to prepare so we ensure your food is fresh and items were made to order. We will never turn you away for not making a reservation, but we ask that you help us control the outcome of your Club's bottom line when you can. Thank you so much for taking the time to read this and we wish you all an excellent February.

# Manager's Corner

Dear Membership,

After reflecting and reviewing we can say that 2023 was a good year for the Club. Staff levels have been great all year and we hope to be able to retain the staff as the cost of living continues to increase. A special thank you to both Chef Ronald Odum and Chef Jon Oakes for all their amazing culinary creations. Together the front of house and kitchen team have pushed to maintain one of the hardest qualities in customer service: consistency.

There is still plenty of space left for reservations to enjoy our six-course Valentine's Day dinner. We are going to compliment the food and excellent company with live piano play from Thomas Aiken. Please remember if you want Sea Bass as the main course and not Filet, you must pre-order during the reservation process.

We hope you will continue to support your Club by dining in the 19th hole as often as your busy schedule allows it. Thank you.

Kindest Regards, Andrew Walker

## PRO'S CORNER

Welcome to February! We are ready to get this season started. Although we are a few weeks away from springtime, we are hoping that the groundhog doesn't see his shadow. As we get closer to the start of our golf season, we want to encourage the membership to use the golf facility and our fitness center. We usually will have some great days of weather sprinkled in to ease the months of winter and it's a great time to begin a routine of fitness. Golf specific exercises can develop core strength and stability, enabling one to produce a more consistent and balanced swing.

We have a significant number of golfers participating in "The Stack" speed training program which focuses on putting as well.

This year, our Junior Golf Program will begin in the month of March. Further information will be sent out to the DGC membership about the upcoming dates and times through our Constant Contact. We are excited about a new player development program linked with PGA Coach to create new golfers.

We will also have scheduled clinics for members to sign up for this season involving all golf skills. Example: putting, chipping, pitching, bunker shots, full swing, how to practice, mental routines, wedge game..... These will be group sessions open to the DGC membership.

The Pro Shop will have Callaway, Titleist, & Ping products available this year. We have already scheduled and confirmed a Demo Fitting Day for May 2<sup>nd</sup> with Callaway. Mark your calendars as this event will be from 2-6pm, We also have the DGC logo 40oz water cups in stock. Vokey SM9 wedges on sale for \$129 (members only) as supply lasts. Scotty Cameron as well as L.A.B. Golf putters. Callaway Golf equipment will arrive in March.

Please don't forget that all of our golf balls are at minimum advertised pricing (map). We will help you with your golfing needs whether it's in stock or special order.

Hope to see more of our members out as spring arrives!

**Craig & Jason**
