## Manager's Corner

Dear Membership,

January is typically the slowest month of the year. However, due to events and continued support in the 19<sup>th</sup> Hole we've been able to cut our usual losses in half. I hope the daily specials have been both alluring and delicious. I'm especially proud of the Braised Short Rib and the Filet and Crab Cake "Surf and Turf" dishes. We aim to impress and stay cost relevant.

In February, we have three special events: Oysters Night, Valentine's Day Six-course Dinner, and the return of Butcher's Block. During 2022, multiple guests from clubs outside of Virginia came to me asking how we can pull a similar event like Butcher's Block off in such a small market and my answer was and still is an excellent staff with great leadership that focuses on quality and consistency! I am so grateful for the kitchen staff and the job Ronald and Jon have done to push for repeated success.

We are working with the insurance company and the construction crew to fix the issues with the busted pipes. I am proud to report that the men's steam room will have a new door that closes properly very soon which was set in motion even before the damage to the men's locker room. I hope this small, unfortunate event hasn't hindered any members' New Year's resolution. Your fitness center will be back to the DGC standard as soon as possible.

Please sign up for the Valentine's Dinner as soon as possible, if you plan to attend. Warmest Regards,

Andrew Walker

## Entertainment Valentine's News

Welcome to the Month of Groundhog Day!!!

Hopefully this letter will find all or at least most in good health and spirits!! Andrew and Staff have put together a month of dining opportunities that should suit most every taste. Oysters by the dozen!! On Saturday night, February 11th, we will be having our enjoyable Oyster Night followed on Tuesday, February 14, with our famous Valentine Dinner with local talent, John Wilt, belting out music by Frank, Dean, and friends. Lastly, on Saturday, February 18th, the red meat eaters get to enjoy the Butcher's Block. Pick the cut, the size of your steak and how it is prepared with the fixings. A great night to get together with fellow members and guests for a great meal.

As the weather gets warmer, we will begin to utilize our outdoor area so watch for several special events. Lastly, reservations are encouraged to prepare for your evening and to make it as pleasurable as possible. Proper dress is always a must and if you are in doubt, overdressed is always better than underdressed!!

See you at the Club!!

John Mason, Entertainment Chair

Here we are beginning the month of February and hoping the ground hog doesn't see his shadow. We only have a few more weeks until springtime. Regardless we will begin to have more nice days sprinkled in.

We are excited about the member's events we have scheduled for 2023. Our Match Play Champion was a huge success in '22 as we crowned Christian Blankenship champion. This year we will begin the head to head matches earlier in the season. We also plan to have a night golf event this year as well. We appreciate all the members support this past year with our events and look forward to a great '23 season. Just as a reminder, our DGC Invitational has been moved forward a week to July 15-16. It will continue to be a VSGA points event and will not conflict with any other points event tournaments.

Let this photo serve as a reminder of what we have to look forward to. We are not far away from clear skies and warm temperatures. Golf playing days, fun and fellowshipping are right around the corner!

As we get into the 2023 golf season, please remember to call for a tee time as we have many new golfing members and are busier. Tee times allow the golf operation to be more efficient and provide ultimate member service.

## WGA FEBRUARY NEWS

The Annual Winter Coffee for the Women's Golf Association will be February 21, 2023, at 10AM in the dining room. All women golfers are invited to attend to see old and new friends. Members may pay dues (\$30) that day to Pam Pulley, Treasurer. If anyone is interested in joining for the first time you are welcome. Call Becky Bolton for information (434-548-5454).

### **Chipping tips**

Ball position is crucial for playing consistent shots around the green. Your ball should be no further up than the middle of your stance. Use your ankles to determine where the middle position is. Get a little closer to the ball which will allow you to stand more upright. Keep more weight on your lead or front foot and keep it there. Keep the hands and grip end of the club just slightly ahead of the club head. This will allow one to use the bounce on that particular club. Pressing the grip end too far forward eliminates or decreases bounce and loft.

### RESERVATIONS

To help provide you all with the best service and dining experience we are strongly encouraging reservations in the 19<sup>th</sup> hole. Reservations help us control staffing for a shift and even more they help us gauge how much food to prepare so we ensure your food is fresh and items were made to order. We will never turn you away for not making a reservation, but we ask that you help us control the outcome of your Club's bottom line when you can. Thank you so much for taking the time to read this and we wish you all an excellent February.
