Monthly News & Updates ~ September 2022 Issue

Manager's Corner

Dear Membership,

Only a few more summer days until our pool goes into “hibernation”, so please join us for fun as we close out summer. Join us as we celebrate Labor Day Weekend with sun, fun, drinks, and yummy food. I have received multiple requests for our famous Fried Chicken on the Labor Day Buffet, so we are hoping to have a huge turnout and create another amazing event for our membership and their families to remember!

Kitchen managers Jon and Ronald are working hard on our new fall menu. We will continue to serve multiple popular dishes that we have offered over the last few months like Shrimp Piccata and Bourbon Pecan Salmon.

September 15-17th is our annual Member/Guest Golf Tournament. If you haven't already signed up, please do so ASAP. This is an event designed to give back to the membership and celebrate our beautiful golf course. We will be doing everything we can to make sure you and your guest have an eventful weekend. We've scheduled a DJ on the patio for Saturday Night's cocktail party that concludes the tournament.

After long consideration and staffing squared away, we have decided to open for dinner service on Tuesday evenings starting October 4th. We will be offering a full dinner menu from 6pm until 9pm. We strongly encourage

reservations as this helps decide how much food to prepare for service and the proper staffing levels. With the prices of goods and labor increasing, making a reservation helps control the waste and quality of your overall experience. I greatly appreciate all the things each member does to help us to serve you the way you want to be served.

I have now been the manager of your Danville Golf Club for two years. I am truly blessed to have the position and grateful to the membership for treating me so well. I do my best to give quality and consistency to the food and drink service daily. Thank you for those that stop me to say how happy they are for being members and how delighted their friends and families are when they come to visit our great Club.

“Perfection is not attainable, but if we chase perfection, we can catch excellence” –

Vince Lombardi

Best Regards,

Andrew Walker
